MUST-HAVE ITEMS THIS MONTH

Bryce Walker
Direct Market Coordinator

February is here and what's better in the month of Valentine's than looking ahead to the amazing comics Titan has slated for April. **DEAD BY DAYLIGHT: THE HILLBILLY** launches in April, with an exclusive in-game code in every comic. The artwork is absolutely stunning and the horror is for sure rolling. It's even got a cover we've had to blind bag because it's too gory to show you - trust me, I've seen it!

We've also got the stunning **ELRIC: THE SLEEPING SORCERESS**, with beautiful art by Valentin Sécher accompanying this adaptation of Michael Moorcock's classic tales. Plus, a hilarious cat flavored, new **LENORE** in **MUFFIN ELSE MATTERS**. And, that's not forgetting the continuation of this **CONAN** story arc — with an epic Doug Braithwaite cover.

On the Graphic Novel side we don't stop with those exclusive in-game codes, **RUNESCAPE: UNTOLD TALES OF THE GOD WARS** has one too! I'm running out of room and I haven't even mentioned **HEAT SEEKER EXPOSED** and its two Direct Market variants!

Titan are always keen to work on exclusive store covers, so please get in touch if you are interested. I can be contacted at: bryce.walker@titanemail.com
